LETTER OF INTEREST

By this letter, we express our interest in cooperation with Ternopil Volodymyr Hnatiuk National Pedagogical University (Ukraine). In particular, Sultan Qaboos University (Oman) is interested in cooperation in training (including exchange of students and staff and their training), and research (joints projects and grants) activities.

Sultan Qaboos University (SQU) is the leading University in the Sultanate of Oman and in the Arab region. SQU's vision is to continue its national leading role in higher education and community service and also to be internationally recognized for innovative research, quality of its graduates and strategic partnership. Thus, cooperation between Ternopil Volodymyr Hnatiuk National Pedagogical University and Sultan Qaboos University, the Center of Excellence in Marine Biotechnology (CEMB) is very desirable and important.

Dr. Sergey Dobretsov,
Director of the Centre of Excellence in Marine Biotechnology,
